

To,

All Utilising Companies

Subject :- Allocation of Quota of Narcotic Drugs to the Third Party Manufacturers for the year 2011 .

Please refer to this office circular F.No. 14/414/Tech./2010 dated 24.12.2010 (copy available at <http://www.cbn.nic.in/html/frmquota.pdf>), on the above subject, addressed to all companies utilising narcotic drugs.

This office had requested the applicant companies to submit Application in **Revised format** alongwith requisite documents and **Report on utilisation of narcotic drugs for last five years** (in prescribed proforma) to this office for allocation of quota for the year 2011 by 5th January, 2011. The applicant companies were required to submit details on utilization / consumption of the narcotic drugs against Sl.No. 11 of the Revised Application Form.

It has been observed that some of the companies submitting application form for allocation of quota for the year 2011 have not submitted the exact details on manner of utilisation against Sl.No. 11 of the Application Form (**Revised format**). In this regard, it is informed that the companies have to clearly mention whether the quota sought for is for (i) **Third party manufacturing** or (ii) for manufacture of own product. In case, quota sought for is meant for third party manufacturing, the same may be declared against Sl.No. 11 of the Application Form and a **copy of agreement** with the developing company (the client) must be submitted to this office for processing of the application, failing which the request shall not be entertained.
