### **Public Notice**

To take another leap towards transforming India into digital India it gives us immense pleasure to share with you the Unified Web Portal of CBN. This unified portal will be one step solution for all license related works with Central Bureau of Narcotics. As we all are aware that as a nation we are one of the largest Exporter of controlled drugs throughout the world.

This user friendly secure cloud based portal will make it extremely easy for applicants to obtain various licenses from CBN such as Import/ Export certificate of various NDPS and controlled substances, Manufacturing Licenses, Quota allocation and Opium cultivation licenses to Opium cultivators. Now the applicants will be able to file their applications online from anywhere and anytime. This unified portal will provide the applicants the privilege to submit application online along with uploading of necessary documents and track the status of their application online. With the help of this Unified web Portal the application processing turnaround time shall reduce drastically. With integration with other government services such as Bharatkosh, GST, PAN, eSanchit and UIDAI this unified portal will be another stepping stone in the direction of ease of doing business.

Initially, the applicants will have to register themselves on this portal and once registration is approved and the profile is created the applicants will be able to file their application online. The registration process for this Unified Portal shall start very soon. The

temporary (Staging) link for the Unified web portal is "http://103.20.104.189:8085/CBNPortal/".  
Once the applicants are well acquainted with the process of registration and online submission of applications a Virtual Workshop for the stakeholders will be organized. The date for the workshop will be intimated soon. On the basis of feedback/ reviews, necessary changes/ upgrades may be incorporated and the site will be made fully functional with URL <https://cbnonline.gov.in>.
